

Quoting Instructions:

- Step 1: Look up the appropriate rating region (1 through 10) based on your residence zipcode using the rating region lookup on pages 2-5. The zipcodes are numbered numerically.
- Step 2: Based on the rating region determined in step 1, look up the premium in the table corresponding to the appropriate rating region. Premiums for the primary applicant and dependent children are located on pages 6 - 15 with the heading at the top "Monthly Rates - Primary & Dependents (Non-Spouses)". Premiums for spouses are located on pages 16 - 25 with the heading at the top "Monthly Rates - Spouses Only". For policies with no adults, where a child is the primary applicant, the rates applicable to the child that is selected as primary are those in the top 2 rows of the rate tables. Rates for dependent children (where an adult is also on the policy or, when there is no adult, for all the children except the one selected as primary) are located in the bottom 4 rows of the rate tables.
- Note:** Preferred smoker rates are no longer applicable for new applications. If the applicant has used any tobacco products within the past 12 months, the smoker rates will apply.
- Step 3: Add the premiums for the primary applicant, spouse and dependent children from step 2 together.
- Step 4: Multiply by the modal factor based on the desired payment mode. See table below:

Payment Frequency	Factor
Monthly	1
Quarterly	3
Semi-annual	6

Example - Sample Illustration

Primary male age 45, female spouse age 40, male dep child age 8, female dep child age 4
All members are non-smokers
Residence zip code: 45365
Selected Benefit: Basic Indemnity -- \$1,000 deductible plan
Desired payment frequency is monthly

- Step 1: Page 4 contains the zip code 45365 showing it is in region 3
- Step 2: Page 8 contains the primary applicant and dependent child rates for rating region 3
The premium for a 45 yr old male non-smoker for the Basic plan is \$483.14
The premium for a 8 yr old male dependent child is \$186.96 (see the row 7-18)
The premium for a 4 yr old female dependent child is \$186.96 (see the row 2-6)
Page 18 contains the spouse rates for rating region 3
The premium for a 40 yr old female non-smoker is \$488.86
- Step 3: Total monthly premium for policy is:
- | | |
|---|------------------|
| | \$483.14 |
| + | \$488.86 |
| + | \$186.96 |
| + | \$186.96 |
| = | <u>\$1345.92</u> |
- Step 4: Factor for monthly payment frequency is 1
Total monthly premium = \$1,345.92 x 1 = \$1,345.92
