HumanaOne Annual Max plans: Coverage at an affordable price

If you're looking for health insurance that offers both an affordable premium and a low annual deductible and do not feel you need coverage for major expenses that could exceed \$100,000 or \$250,000, then an Annual Max plan from HumanaOne may be a smart choice for you.

Choose from a variety of deductibles and plan options to create a plan that meets your needs and fits your budget. With HumanaOne's Annual Max Plans you can have affordable coverage that helps protect you and your family.

Here's how it works:

Annual Max plans have calendar year dollar limits, or caps, that keep premiums affordable and deductibles low. When you select your Annual Max plan, it's important to remember that you are responsible for expenses that exceed these calendar year dollar limits. Create an Annual Max plan that's right for you:

- 1 Choose your deductible.** Annual Max plans offer a range of deductibles; you can decide which option works best for you.
- 2 Select your annual maximum amount.** This is the total amount your plan will pay for covered services each calendar year. You can select an annual maximum of \$100,000 or \$250,000.
- 3 Know your outpatient services annual maximum.** The total amount your plan pays for outpatient services is \$5,000 each calendar year. If you select the \$250,000 annual maximum option, you have the option to increase this limit to \$10,000.

Important information about annual maximums:

- › Each person on the policy has their own annual maximums.
- › Annual maximums reset every January.
- › You are entirely responsible for any charges that exceed your annual maximums.
- › Expenses applied toward the outpatient services will also be applied to, and reduce, your annual maximum amount.
- › Annual maximums are unique to this plan; HumanaOne offers other plans without an annual maximum.

The HumanaOne 50/30 Annual Max plan offers:

- › **Preventive care and physician services benefits:** All Annual Max plans include coverage for in-network preventive care, including office visits, child immunizations and preventive lab and X-ray. You're also covered for other important services, such as office visits for illness and injury and emergency services.
- › **Network savings:** With Annual Max plans, you have access to a large network of doctors, whether you are at home or traveling. You'll receive the most savings when visiting network providers, but you're still covered for most services if you choose to visit a non-network provider.
- › **Service you can rely on:** Service is our top priority. We give you guidance and support, and we make it easy for you to work with us from the start.

Membership in the Peoples' Benefit Alliance is required, at an additional cost, in order to be eligible to apply for this health plan.
